VESSELS OR ZION CITY?

Which is it?

Vessels of Praise was founded and established in 1996 on the first Sunday in January of that year by Charles C. McNair, Sr. Ten (10) years later, Bishop McNair was lead to transition the ministry into the hands of his son Coliér McNair and officially ordained him as the new Lead Pastor on the first Sunday in September of 2006.

Pastor Coliér introduced his vision of **Zion City International Church Ministries, Inc.** while simultaneously continuing the work of Vessels of Praise to help thread the legacy of his father and pastor Charles McNair, who also serves as Emeritus Bishop and wise advisor. After 2 to 4 years of reorganization and restructuring of Vessels of Praise/Zion City International, Inc., Pastor Coliér and his growing congregation now serves the community with a single eye under a single name **Zion City!**

In honor of his father's legacy, Pastor Coliér has exercised plans to convert Vessels of Praise into the **Vessels of Praise or Zion City Community Outreach Center, Inc.** and further broaden the scope and range of ministries and services to the Madison/Dane County community.
