

The Christian religion is the most divided of all religions.

PASTOR COLIÉR MCNAIR
LEAD PASTOR

The Bible was not given to line up with our lives, it was given so that we can line up with it.

WHY?

How did this happen?

We understand why so many are confused about what to believe. But that's not the way God intended things to be.

Jeremiah 3:15; St. Luke 24: 32, 45; 1 Corinthians 1:10; 14:33

When we interpret, misinterpret, wrongly divide, preach and/or teach the Gospel to fit our own lives, thoughts, views and ways.

Isaiah 55:8, 9; Jeremiah 23:1, 2; Malachi 2:17; 1 Timothy 3:1-7; 2 Timothy 2:15

We believe that regardless to the name on a church building, it's denominational niche or tradition, there is but only one doctrine: The Apostles Doctrine which is the Doctrine of Jesus Christ established on the Day of Pentecost.

What Is The Apostles Doctrine?

The Apostles Doctrine is NOT a new doctrine. Its principles are simply based on the promises of Jesus Christ after His death, burial, resurrection, and ascension; the teaching and ministry of the disciples; the founding of the Church as it was established first in the book of ACTS; and the administration and demonstration of GOD'S work as it was recorded all throughout the NEW TESTAMENT.

What Does It Mean To Be Apostolic?

To be Apostolic is to be apostle-like: chosen servants and disciples of God. We are advocates, champions, companions of Christ, converts, evangelists, followers, heralds, messengers, missionaries, witnesses.

Religion or Relationship?

Religion is a "practice". To be religious is to practice faithful commitment to what it is you believe in and desire to support above all else. Simply put, religion has been associated with church goers and/or seekers of a higher power to the degree that we don't even realize that your job can be your religion or even one's rejection of traditional and historic religions may also result in the creation and acceptance of one's own religion. Mere religion is no substitute for a biblically sound spirit and truth relationship with Jesus Christ!

What about Denomination?

Denomination means name and is essentially just a way to distinguish between different Christian practices, preferences, and perhaps styles of worship. However, those practices, preferences, and styles of worship should never compromise, act as a replacement or be mistaken for the PLAN OF SALVATION and THE RIGHT DOCTRINE!
